The Centre for Education in Mathematics and Computing is proud to be the major sponsor of the Canadian Mathematics Competition this year. This is the 41<sup>st</sup> year that the contests have been written and we are very pleased to see that these activities, that began in a few schools in South Western Ontario in 1963, are now enjoyed by students across the country.

The Mathematical and Computer Sciences are enjoying incredible growth. New applications of mathematics are being developed to solve problems in all aspects of the physical and social sciences, business, industry, and medicine. Our hope is that the challenge of preparing for and writing these contests will help develop the next generation of mathematical problem solvers.

Congratulations to everyone who participated in this year's Pascal, Cayley or Fermat Contest. We hope to see you on the list of participants in future contests in both mathematics and computer science. In the meantime, keep working to develop your problem solving skills - the opportunities are tremendous!

Peter Crippin  
Director.

Le Centre d'éducation en mathématiques et informatiques est fier d'être le répondant principal du concours canadien de mathématiques cette année. Cette année marque le 41<sup>e</sup> anniversaire des concours et nous sommes très contents que ces activités, qui ont commencé avec seulement quelques écoles de l'Ontario sud-ouest en 1963, sont maintenant écrites par les étudiants à travers le pays.

Les sciences mathématiques et informatiques sont en train de réjouir d'un agrandissement incroyable. De nouvelles applications sont développées pour résoudre des problèmes en tous aspects de sciences physiques et sociaux, d'affaires, d'industrie et de la médecine. Nous espérons que le défi de préparer et d'écrire les concours aidera à développer la prochaine génération de résolveurs de problèmes canadiens.

Félicitations à tout le monde qui a participé aux concours Pascal, Cayley et Fermat cette année. Nous espérons de voir votre nom à la liste de participants aux concours de mathématiques et informatiques dans l'avenir. Jusqu'à ce temps, continuez à développer vos aptitudes-les opportunités sont incroyables!

## Canadian Mathematics Competition Concours canadien de mathématiques

Barry A. Ferguson

The 2004 Pascal, Cayley and Fermat competitions are in the books! I believe that they were a great success. Averages for both the Pascal and Cayley contests were up about 4 points to 87.2 and 92.6 respectively, while the Fermat average was down slightly to 83.9. There were 18 perfect scores on the Pascal, 6 on the Cayley, and 6 on the Fermat.

There was a mistake made in the setting of the Pascal contest. A small discrepancy in wording between the English and French versions of question 20 resulted in 6, answer B, being correct for the French version, and 5, answer C, being correct in the English version. In scoring the contest we accepted either B or C as correct. I apologize for this error.

Thank you to all participants, both teachers and students. I hope that the papers provided some entertainment for you, and that you will continue to support our efforts as we continue to try to support yours.

L'édition 2004 des concours Pascal, Cayley et Fermat est chose du passé! Et j'estime qu'il s'est agi d'un franc succès. Les moyennes des concours Pascal et Cayley étaient supérieures d'environ 4 points, soit 87,2 et 92,6 respectivement, tandis que celle du concours Fermat était légèrement à la baisse, soit 83,9. On compte 18 notes parfaites pour le concours Pascal, 6 pour le concours Cayley et 6 pour le concours Fermat.

Une erreur a été commise lors de la préparation du concours Pascal. En raison d'une légère différence entre les formulations anglaise et française de la question 20, la bonne réponse pour la version française était 6 (réponse B) alors qu'elle était 5 (réponse C) pour la version anglaise. Nous avons accepté ces deux réponses. Toutes mes excuses pour cette erreur.

Je remercie tous les participants, tant les professeurs que les étudiants. J'espère que les concours vous ont divertis et que vous continuerez d'appuyer nos efforts. De notre côté, nous nous emploierons à appuyer les vôtres.
